February 2011

Mendham Township Residents:

The Community Club has been a gathering place for Mendham Township residents since 1923, when our building was moved from the site of the current Municipal building and became owned by a not-for-profit organization registered with the IRS as "Community Club of Brookside." **This organization depended then and continues to rely now on membership fees and donations from the community.**

This year marks the 93rd anniversary of the Community Club's first Fourth of July Parade in 1918. The Club's Fourth of July Committee continues to organize our Independence Day celebrations. Also, the club hosts the annual *Holiday Boutique* and provides the playing fields for Township recreation programs in baseball, softball, and soccer.

As an existing member or new member of the Community Club, you will receive the benefits of discounted rental fees that many residents use for birthday parties, bridal showers, weddings and baby showers etc. The Community Club accommodates non-profit organizations and sports groups for their fundraisers and dinners. Also, classes in aerobics, ballroom dancing, and Argentine tango are held at the Club.

We continue to update and improve the Community Club, whose overhead light fixtures were replaced last August. We depend on your financial support to make repairs like this.

**Please return the attached 2011 membership and contribution form.** Also, remember to visit our website at [www.brooksideclub.org](http://www.brooksideclub.org) for reservations or to obtain information about our facility. For you many members who renew your memberships year after year, we thank you for your support.
