

COMMUNITY CLUB OF BROOKSIDE ANNUAL MEMBERSHIP

The Community Club of Brookside is a gathering place for all of us. Your neighbors have used it for birthdays, weddings, special family events, and group meetings, such as yoga and scouts. If you have a need, we offer space at reasonable rates. This Club relies on your donations and rental fees to maintain this privately operated treasure of Mendham Township.

Improvements for 2025. Our goal is to restore the bell tower back to its original design including a decorative railing around the top as well as reinstalling its original church bell. However, this work cannot be done without your help. Please make a tax-deductible donation to **Bring Back the Bell!** Along with your membership. Designating each will be helpful.

If you have any membership questions, please contact Fran Plodkowski at (973) 543-2145 or for reservations call Diane Tolley at 973-219-6064 or brooksidecommunityclub@gmail.com.
